RAISE THE STANDARD

# RAISED PANEL

Add depth to your garage door with a DAC raised panel design, available in both short and long panel options. The raised panels start with a recessed edge, but the interior surface of each panel is brought slightly forward, adding just a hint of definition to a classic garage door design.

## DEALER NETWORK

Our garage doors are sold only through our network of DAC dealers: dedicated professionals who install and service our doors with the same quality and workmanship that we use to manufacture them.

## WARRANTY

The warranty is only as good as the support you receive when you need it. DAC is the leader in the garage door industry for the best warranty support after the sale.

## SUSTAINABILITY

Our community is quiet, safe, and clean - and we do our part to keep it that way. We've taken steps to ensure that our operations, processes, and the products we use have minimal impact on the environment.

## CHANGING LIVES

Supporting the communities we live in is a cornerstone of our business, and we are devoted to helping those who are in need of a new, safe, and secure garage door.
